Reading Comprehension

2. Read the following passage, then answer the questions:

n answer the questions: 2023

Love what you do to do what you love. What you do should be a goal for you. Life without a goal is nonsense. What is the GOAL? A goal is something that you want to achieve. First, decide what your goal is. For example, do you want to pass a test? Do you want to be a doctor? When you have decided on your goal, write it down on paper and look at it every day. Then, decide what you must do to succeed. This helps to organize everything in your life. Some people never reach their goals because they think it is impossible. But you must always believe that your goals are possible. Don't think" this test is difficult, I'll probably fail", instead think," This test is difficult but I've worked hard and I'll
